

Dear Administrators, Faculty, and Staff:

The Division of Student Engagement is excited to begin its year of mentoring.

The 2024-2025 COMPASS mentoring program will foster an atmosphere of positive motivation, inspiration, and realistic goal setting. The attached brochure will give a full synopsis of what is expected of all mentors. We are striving to provide mentors for all freshmen students.

On behalf of the Division of Student Engagement administration and staff, we would like to extend an invitation to you to become a vital part of this year's program. This year's mentoring program promises to be one of the most memorable and enjoyable activities of the school year. We feel that there is no better way to get involved in our students' lives than assisting them in making life changing decisions through mentoring.

If you are willing to mentor, please contact Nicole Ross at (662) 621-4146 or nmoore@coahomacc.edu as soon as possible. We don't want you to miss this opportunity.

Please complete the short form on the second page of this letter and email it back or send it to the Office of Student Engagement in the Student Union.

Thank you.

Sincerely,

Nicole Ross
