Selection of Topic Questionnaire 2017**

The Quality Enhancement Plan (QEP) is a carefully designed plan of action that addresses a focused topic or issue related to enhancing student learning.

Student learning should be at the heart of every institution and the reason for an institution's existence. The QEP Team is collecting ideas and data for possible topics for Coahoma's QEP. Please assist the QEP Team in gathering ideas by taking a few minutes to complete this questionnaire.
