#### **Information Sheet for the TEAS (Test of Essential Academic Skills)**

What is the TEAS? The TEAS is a computerized pre-entrance test required for all applicants to the Coahoma Community College (CCC) Associate Degree Nursing Program (ADN) and Practical Nursing Program (PN). The TEAS is used to evaluate applicants for admission to both nursing programs. The TEAS is only one of several criteria used in the selection process. The TEAS evaluates four different academic areas-Reading, Math, Science, and English.

**How do I prepare for the TEAS?** The TEAS Study Guide is available for sale in the CCC Bookstore or online at <a href="https://www.atitesting.com">www.atitesting.com</a>.

It is highly recommended that applicants take time to prepare for the TEAS. Applicants are scored and ranked according to their TEAS sub-scores, as well as ACT score and GPA on prerequisites-the higher the scores, the better the chance of acceptance into the program.

**How do I register to take the TEAS?** Complete and submit the TEAS Registration Form along with a \$70.00 money order with your application. (See TEAS Registration Form)

Where do I take the TEAS? The TEAS is given on computer at the CCC Gathwright Workforce Center at 510 Sunbelt Drive, Clarksdale, MS (located on Highway 49 South), phone number (662) 627-9139. Parking is available in the front of the building.

- All applicants must pay according to the above instructions and create an account online prior to the day of testing
  - o Go to www.atitesting.com
  - o At the top left of the screen go to Sign In and click the tab Create an Account
  - o Fill in the information
  - Create a user name and password (write it down so you will remember it on the day of the test as well as for future use once in the program)
  - o After filling in the information click Register
- Bring a picture ID on the day of the test. Applicants will not be allowed to test without it.
- Calculators are not allowed.

What do I need to make on the TEAS to pass? Applicants are ranked according to performance on the TEAS as well as ACT and GPA. A TEAS specific passing score has not been set. The higher the TEAS sub-scores, the better the chances of acceptance are as long as ACT and GPA meet the admission criteria.

**How often can I take the TEAS?** Applicants may take the TEAS no more than once a year.

Where do I submit the TEAS Registration Form? See Registration form
